APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source.

A substantial headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted. It is distinctly understood that applicant agrees to terms herein contained. The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.75 cubic feet per second.

Actual construction work shall begin on or before October 11, 1921.

Proof of commencement of work shall be filed before November 11, 1921.

Work must be prosecuted with reasonable diligence and be completed on or before October 11, 1921.

Proof of completion of work shall be filed before November 11, 1921.

Application of water to beneficial use shall be made on or before October 11, 1924. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 11, 1924.

Manuscript Jan 14, 1921 WITNESS MY HAND AND SEAL this 11th day

of April, 1921

Proof of labor filed MAY 25 1921

Proof of completion of work filed MAY 27 1921

Canceled Feb 14, 1933 because of failure of
Applicant to comply with the terms of permit

J. W. Senn
State Engineer.
